

**REPORT OF THE CONTROLLER AND ACCOUNTANT-GENERAL ON THE
PUBLIC ACCOUNTS ON THE CONSOLIDATED FUND FOR THE MONTH OF
SEPTEMBER 2015**

1.1 INTRODUCTION

1.1 Mandate

Section 41(1) (b) of the Financial Administration Act, 2003 (Act 654)(FAA) and Regulation 191 of the Financial Administration Regulations 2004, (LI 1802)(FAR) requires the Controller and Accountant-General to prepare and transmit to the Auditor-General and the Minister of Finance (MoF), the Public Accounts (Financial Statements) on the Consolidated Fund of the Republic of Ghana within 15 days of the preceding month or such other period as Parliament may by resolution determine.

The financial statements which are prepared on government business is regulated by the financial laws. The authorisation to spend and limit on expenditure are stipulated in the Appropriation Act for each financial year as required by Article 179 (2) (a) of the 1992 Constitution.

In addition to the legal requirement, the Financial Statements are meant to provide a summary of government's financial resources and their application for the benefit of the people of Ghana.

1.1.2 Components of the Financial Statements

The financial statements comprise:

- A Balance Sheet
- A Statement of Revenue and Expenditure
- A Statement of Receipts and Payments
- A Cash Flow Statement
- Notes to the Accounts

1.1.3 Scope of financial statements

In compliance with Articles 175 and 176 of the Constitution of the Republic of Ghana and Section 41 of the FAA, these financial statements known as the Public Accounts of Ghana are prepared on the Consolidated Fund only. It comprises the financial activities of the Ministries, Departments and Agencies (MDAs) funded from the national budget.

The financial statements do not include other public funds established by or under the authority of an Act of Parliament and Retained Internally Generated Funds.

1.1.4 Basis of Accounting

The financial statements are prepared on modified accrual basis. Modified accrual accounting recognizes revenues when they become available and lodged into the treasury accounts of Government and with a few exceptions, recognizes expenditures when liabilities are incurred. This system divides available funds into separate entities within the organization to ensure that the money is being spent where it was intended. Fixed Assets are capitalized in order to be written off over the expected life of the asset.
